- We have ready access to telephone numbers for emergency services, including the local police. We have contact numbers for the gas and electricity emergency services, and a carpenter and plumber.
- We ensure that the staff and volunteers carry out all health and safety procedures to minimise risk and that they know what to do in an emergency.
- On discovery of an incident, we report it to the appropriate emergency services – fire, police, ambulance – if those services are needed.
- If an incident occurs before any children arrive, the Head Teacher will risk assess this situation and decide if the premises are safe to receive children or they may decide to offer a limited service.
- Where an incident occurs whilst the children are in our care and it is necessary to evacuate the premises/area, we follow the procedures in the Fire Safety and Emergency Evacuation Policy or, when on an outing, the procedures identified in the risk assessment for the outing.
- If a crime may have been committed, we ask all adults witness to the incident make a witness statement including the date and time of the incident, what they saw or heard, what they did about it and their full name and signature.
- We keep an incident book for recording major incidents, including some of those that are reportable to the Health and Safety Executive as above.

- In the incident book we record the date and time of the incident, nature of the event, who was affected, what was done about it or if it was reported to the police, and if so a crime number. Any follow up, or insurance claim made, is also recorded.
 - In the event of a terrorist attack, we follow the advice of the emergency services with regard to evacuation, medical aid and contacting children's families. The standard Fire Safety and Emergency Evacuation Policy will be followed and our staff will take charge of their key children. The incident is recorded when the threat is averted.
 - In the unlikely event of a child dying on the premises, through cot death in the case of a baby for example, the emergency services are called and the advice of these services are followed.
 - The incident book is not for recording issues of concern involving a child. This is recorded in the child's own file.
