

SPA Today for 12th May 2017

Aspiring to Excellence

Whole School Attendance: 92.25%
 Winning Class: Sycamore with 98.75%

Attendance

Whole school attendance for last week for all children attending school was disappointingly down from the week before at 92.25 % for a variety of reasons.

We did have some good performances however. Our winning class on 98.75% was Sycamore. Very well done to them. In second place, equal came Willow and Beech both on 97.73% and in fourth Rowan on 97.37%.

We really do need to try to improve these figures as if children miss valuable learning time it is difficult to get it back.

Mr Williams - Attendance Officer

Just a quick reminder that Team SuperSchools are coming back to Stourport Primary Academy on the morning of Friday, 26th May. Sponsorship Forms were handed out last week and for your child to take part, the minimum sponsor amount will be £2.50. Children who raise between £7.50 and £12.49 will receive a Bronze Medal, between £12.50 and £19.99 a Silver Medal and £20.00+ will receive a Gold Medal and a drawstring bag.

During the event children will take part in various sporting activities in the school halls and will also have a photograph taken with Olympic Bronze Medallist Kristian Thomas, receive a Team SuperSchools wristband and the morning will finish off with a Q&A session. This will be a most rewarding and memorable occasion.

Sponsorship Forms and money must be **returned by Tuesday, 13th June 2017.**

Money raised from this event will be split between Stourport Primary Academy and Team SuperSchools.

Good luck with your sponsorship efforts.

A Culture of Safeguarding

A website that is really worth having a look around is www.internetmatters.org.

This site is designed to help parents to keep their children safe online. It has an online parents guide to technology and advice and guidance on setting up childrens' tech devices safely. There is a simple to use e-safety app which is free to download.

The site is stacked full of useful information on all aspects of online safety including advice on cyber bullying, radicalisation and much more. The advice guides are also helpfully age specific.
