### Attendance

Whole school attendance for the last school week was disappointingly down from the previous week at 94.73%, mainly due to illness in some of the younger classes.

However, on the positive side, we did have two classes who achieved the magical 100% attendance. These were Willow and Elm. Excellent and many congratulations to both classes!

In third place, not far behind came Beech on 99.05% and in fourth, Cedar on 98.33% so well done to them.

### A Culture of Safeguarding

#### Safer Internet Day - Wednesday 6th February 2019 – UPDATED

This national event takes place every February and as a school we take part to ensure that our pupils are aware of the importance of staying safe while going online and of the dangers that they could face.

This years theme is “Together for a Better Internet”. Our aim is to inspire a conversation about using technology responsibly, respectfully, critically and creatively.

We invite parents and grandparents to come along at 2:00pm for an Online Safety Assembly led by children who will talk about how you can keep your children safe while they go online. Afterwards you can go into class and take part in an online safety lesson with your child before taking them home.

We look forward to seeing you on Wednesday 6th February at 2:00pm.
